

## how to get free covid test kits

U.S. households can place a total of **2 separate orders for 4 free at-home COVID-19 tests**  
Here's what you need to know about ordering:

Go to <https://special.usps.com/testkits> to place your order.  
All you need is your contact and shipping information.

One order includes 4 individual rapid antigen COVID-19 tests.  
There is a **limit of two orders per residential address**.

Orders will **ship for free**
