

Staying Engaged

6 fun ideas to help you keep connected with family and friends!

1 Drive-In Movies

You may have seen these starting to pop up again during COVID so do a quick google search to see if there is one close to you!

We've also been seeing people projecting movies onto a building wall and gathering at a safe distance.

Don't forget the candy!

2 Digital Dinner

Agree on a set dinner time and invite your friends or family to eat with you.

This can be a great time to catch up. Especially with those who live alone.

3 Weekly Game Night

Everyone agree on a game and go around playing via Zoom!

4 Book Club

Keep your mind sharp!

Meet every week online to discuss a book of choice.

5 Wine Tasting

Everyone orders the same bottles of wine and have one person lead the tasting.

Don't drink? Try different brands of Root Beer!

6 Trivia Night

One person leads the questions and everyone writes down their answers.
