

# Meet Your New Device

## True Metrix Air Vitals Monitoring Device

MobileHelp Solo was created to provide you comfort, reassurance and peace of mind by making it possible for help to be just a touch of a button away. This two-way communication pendant is a lightweight mobile device that works at home or on the go with the help of GPS location technology. For additional questions, call tech support at [1-800-860-4230](tel:1-800-860-4230).
